VII. PROGRAM COMMITTEE REPORT

M. Piller presented the Program Committee report.

A. Program Monitoring
   Piller stated the upcoming program monitoring schedule was outlined in the agenda.

B. State Monitoring
   T. Brown stated NoRTEC’s ARRA programs were monitored by the State the week of March 8, 2010. Brown said the written report had not been received, but the monitor indicated in the Exit Conference there were no findings.

C. Client Numbers
   The following reports were reviewed and discussed. No problems were noted (see agenda for links to reports).
   - Job Seekers Accessing One-Stop Centers
   - Job Seekers Enrolled in the WIA Program

D. Contract Performance
   The members reviewed contract performance. T. Brown stated there were currently no areas of concern (see agenda for links to reports).

E. Plant Closure Updates
   The members review the business closures and layoffs that had taken place since the last meeting (see agenda for link to report).

F. WIRED Update
   The WIRED project officially ended on December 31, 2009. S. Knox updated his report from the January 2010 meeting. Knox said the evaluators of the WIRED project (an independent entity under contract with the Department of Labor to evaluate the WIRED project), had mentioned NoRTEC’s focus on small business favorably. He also informed the members NoRTEC was the only WIB on the west coast mentioned by name in the report. Knox said NoRTEC will continue to revise target industries based on data gathered during the WIRED project.

G. “Headline” Program Reports
   The members reviewed the Community Coordinator reports as presented in the agenda (see the agenda for summaries and links to full reports).

H. Staff Training
   B. Austin reported on staff training as outlined in the agenda.
I. **Youth Council Report**

K. Schmitz gave the members an update on Youth Council activities. She reported the Council was exploring issues related to education in Tehama County. They were distressed to discover high dropout rates, and the fact only one in five high school graduates went on to college. Schmitz reported the Council was working with Rolling Hills Casino to plan an educational summit for Tehama County to bring all stakeholders together in one room and focus on local youth—how to help them be successful beyond high school and assist them with accessing colleges and vocational training.

J. **Policy Update**

T. Brown explained the policy update requested for NoRTEC’s “Self Sufficiency Policy” as presented in the agenda. Brown said the requested waiver of the self sufficiency earnings ceiling would be waived only for “green jobs.”

*A motion made by T. Cochran, and seconded by H. Oilar for approval of modifying the upper income limit for training individuals for “green jobs” passed the WIB unanimously.*

*A motion made by J. Cook, and seconded by L. Baugh for approval of modifying the upper income limit for training individuals for “green jobs” passed the Governing Board unanimously.*
